

EUROPE

A wide-angle, low-perspective shot of a large, circular tunnel. The tunnel's interior is constructed from grey concrete segments. A series of parallel pipes and conduits run along the top and sides of the tunnel, supported by brackets. Several bright, rectangular light fixtures are mounted on the ceiling, illuminating the space. The floor is a smooth, light-colored surface. The perspective draws the eye down the length of the tunnel, which appears to curve slightly to the right in the distance. The overall atmosphere is industrial and modern.
